Cozywalks Social Media Marketing

Brand Overview

Cozywalks is India's first ultra-modular sustainable sneaker brand, designed to combine innovation, comfort, and environmental responsibility.

Built with a patented modular design, Cozywalks sneakers allow interchangeable components, enabling customisation, extended product life, and reduced waste.

The brand has also gained industry recognition and credibility through collaborations with PETA India and its award as BW's Best Recycled & Upcycled Product of the Year 2024.
